Dear Friends of 223 Apprentice Entry, RAF Halton

Thank you very much for showing your pride in the RAF with a kind donation of £512 to the Royal Air Force Benevolent Fund. It will be used with great care to support RAF veterans, serving men and women, and their families who are facing a difficult time.

We hope that once again it was an enjoyable bi-annual reunion and such generosity will be making a huge difference in supporting our RAF Family.

One of the ways in which your incredible generosity is making a huge difference, is by supporting our scheme which aims to offer serving RAF personnel and their families with a range of breaks at a number of locations across the country. We understand the demands that service life can bring and for many, the opportunity to spend quality time with the family can often be a rarity. These breaks allow for treasured memories to be created and the ability to unwind.

A family who recently returned from a break said - *"Being able to have quality time with our children and seeing them relax and enjoy themselves, reminding us all of the benefits of 'the great outdoors' has been tremendously positive for us all."*

Donations such as yours are pivotal in enabling the RAF Benevolent Fund to provide these breaks and through our partnership with Parkdean Resorts, this has been made possible.

For over 100 years, we've been the RAF's most devoted friend, supporting the whole of the RAF Family. Our family would not be what it is today without the generosity of people like you.

With warm regards and best wishes,

Charles Bloom
